BATTLE OF THE BALLOTS

Election Morning Finds Both Parties All Ready For The Contest.

TORCHLIGHT PARADES IN THE CITY LAST NIGHT

Premier Sifton Held Monster Closing Rally in the Town of Vermilion.

The midnight saw the signal sound of strife. The men, the marshalling in arms, the day, the night's magnificently stern array.

The battle of the ballots is in full swing today. From Graveland to Cardston, Warner and Medicine Hat, from Edmonton and the Rockies to the Saskatchewan boundary, the voters are making these little red-tinted marks which will shape the destinies of the province for the next five years.

Both sides are well equipped. Campaign issues have been fully discussed, and fully and completely before the electors. The average voter fully understands the significance of his vote. This result, therefore, will be conclusively reveal the real opinion of the electorate and their attitude towards the government.

There is every indication that a record vote will be cast. The continued fine weather has put the country in a splendid mood, and there will be an enormous turnout. Seeding has started in some localities, but everywhere farmers are disposed to forget their spring operations for a single day, and exercise the privilege of the ballot.

Close of Campaign Here.

In Edmonton both sides are fully prepared for the voting of the polls. The closing meetings last night were very largely attended. The Hon. C. W. Cross and the Hon. A. G. MacKay, addressed a huge meeting in the Victoria Hall, and Mr. A. G. MacKay and Mr. A. F. Irvine spoke in the Theatre Royal.

Early in the evening the Liberals held a spectacular torchlight procession, accompanied by the city band. The torches were carried by the Liberal members of the city council, and the procession was a very effective sight.

At the same time Mr. and Mrs. MacKay were at the head of the procession, and were very effectively escorted by the city band. They then proceeded to the theatre.

At the meeting in the Theatre Royal the Conservatives, most of them on foot, also paraded. They were accompanied by the city band, and the procession was a very effective sight.

It is expected that both of the Edmonton seats will be in the Liberal column. Some Liberals are claiming that the Conservatives will win the two seats, but on independent view of the situation would indicate a more conservative election.

In the rest of the province, the results are reported as being encouraging, from a Liberal point of view. Since Premier Sifton gave his estimate of the final result, one or two Conservatives have harbored an opinion that there will be a close contest.

On the other hand, the Liberals in all parts of the province are more optimistic.

Some of the contests.

J. R. Wallace, who has been campaigning in Alexander, reports that the city last night, and states that Mr. Lester, the Conservative candidate, is making a comfortable margin.

Mr. Lester, who is well known and well liked, was yesterday in the city, and he was reported to be in the Liberal column.

Washouts Tying Up the Railways

Much Trouble Experienced in Saskatchewan Both by the C.N.R. and the C.P.R.

Prime Albert, April 16.—Local railway traffic both on the C.N.R. and the C.P.R. is somewhat diminished through washouts in the C.P.R. passenger who left Edmonton Tuesday morning at 11 o'clock this morning, or 25 hours late, having been held at Lacombe for a week.

On the Great West line of the C.N.R., practically six miles of track was submerged by the break of a dam installed by farmers east of Prato with the idea of providing irrigation a flood from the lake. When the dam gave way water took to an old creek bed, which crossed and returned the track about ten times in six miles. Two bridge gages worked for nights and one day without interruption succeeded in repairing the damage by this morning.

300,000 MEN REPORTED TO HAVE TAKEN VOTE

Belgian Government is Believed to Have Under-estimated Movement.

10,000 STRIKERS AT CHAMBER OF DEPUTIES

Big Parade in Streets of Brussels But Police Do Not Interfere in the Least.

By Bulletin Leased Wire. Brussels, April 16.—At a time when 240,000 men are on strike, was a gathering which occurred in the premier's speech to the chamber of deputies this afternoon. He was replying to an attack on the government by M. de Broqueville, the socialist leader, who declared that 350,000 men were now involved in the general strike in Belgium for various reasons.

The premier's remarks seemed to be made of hand, and his estimate cannot be regarded as official. There is no doubt, however, that the government realizes that it under-estimated the possibilities of the movement, which steadily grew today. The general industrial commission of Brussels, which is the highest authority, estimates that 275,000 employees engaged in the coal mining, steel making, and textile, have laid down their tools.

The number of men on strike today is estimated at 300,000. The government has not yet decided whether to call out the army to enforce the law, or to attempt to negotiate with the strikers.

When the chamber resumed today after the 10,000 strikers assembled outside the building, but took no part in the demonstration.

The premier, however, in answer to the socialist and liberal allegations that the government was not doing enough to suppress the strike, declared that he was at his disposal to study the question.

CENSORSHIP OF PLAYS IS TO BE ABOLISHED

By Bulletin Leased Wire. London, April 16.—The House of Commons unanimously adopted tonight a motion in support of the abolition of the censorship of stage plays.

It is rather doubtful whether any legislation will result, however, although the author of the motion, Mr. G. B. Shaw, the dramatist, declared that he was at his disposal to study the question.

NO CHANGE IN PRICES OF THE CONDITION OF THE PEOPLE

Occasional Paroxysms of Coughing Tax the Strength of the Patient.

IS MUCH CONCERNED AT TROUBLE HE IS GIVING

Is Taking Much Comfort During His Illness From Music and Chants.

By Bulletin Leased Wire. Rome, April 16.—The bulletin issued by the Vatican today indicates that the condition of the pope is practically stationary. The evening bulletin was of a more optimistic tone, as it indicated that the temperature was normal, and that there had been no recurrence of the usual night fever.

The fact, however, that the pontiff's condition is not tending to help restoration, detracts somewhat from the hopeful character of the report, as the occasional paroxysms of coughing, the attacks of other conditions, and the fact that he has been unable to take any solid food, are all signs of a serious condition.

LIBERALS MAKE ATTEMPTS TO GET ALLEGED GRAFTING CASE UP FOR DISCUSSION

By Bulletin Leased Wire. Ottawa, April 16.—The most interesting feature of the house since the introduction of the clause resumption occurred today. The discussion was provided by opposition, who made a couple of unsuccessful efforts to discuss a number of matters of Hon. Robert Rogers, minister of public works and former minister of the interior, in connection with the granting of a home loan from the city of Prince Albert, to Albert Bouchard in the course of a previous debate.

It was claimed by the opposition that the granting of the loan was a case of alleged grafting, and that the government was attempting to cover up the matter.

The government, however, declared that the loan was a legitimate business transaction, and that there was no grafting involved.

The discussion was continued for some time, but the opposition was unable to bring the matter to a vote.

Britton May Meet Brown Here :- Ball Team Reports Today

Jack Britton and Pal Brown May Box Here Victoria Day

Match-maker MacDonald is Negotiating With Two High-Class Lightweights—Britton is Willing to Box in West if Inducements are Good.

If present plans do not fall through the May 21st card of the Edmonton Athletic Club will be the best which has ever been staged in this city. Match-maker Robert MacDonald is at present negotiating with Jack Britton and Pal Brown. The bringing together of two such high-class performers as these two boys will more than recompense the fans for the long wait since the last bout, which was staged early in January.

Neither scrapper has accepted terms as yet, but MacDonald has been dickering with both boys for some time. Yesterday he was received from Britton's manager, McKeen, stating that the New York fighter was prepared to run the Victoria Day card in Edmonton. This practically clears the way. The practical terms are not too high. Little difficulty is anticipated in getting Pal Brown's acceptance to terms, as he will be simply inclined to death to get a chance at such a good man as Britton.

For some time it was considered possible that Freddy Weitz, contender for the lightweight championship of the world, might appear in Edmonton on Victoria Day, against Brown. Such negotiations were in progress for several weeks between McKeen, MacDonald and Weitz, but the deal finally fell through and Weitz's terms were impossible. He demanded a guarantee of three or four bouts in Western Canada at a very high price.

For the past few weeks Brown has been one of the busiest lightweights in the game, having everybody who came his way, but he has a liking for Western Canada, as the purses offered in Edmonton have not been picked up every day in the week in the East. The report regarding Brown's recent injury was greatly exaggerated.

STRATHONA Y.M.C.A. WON FOOTBALL GAME

A large number of South Side football fans were treated to an excellent exhibition of soccer last night, when the Strathona Y.M.C.A. and University Construction team met on the South Side grounds. The first game was a 1-1 tie for Strathona. Evans started for the winners, scoring three goals. Helms and Verner were in fine condition and played a good brand of football. All the Strathona players played well, especially the center. The University Construction team played a good game and kept the Strathona team in the game. It might otherwise have been. J. Helms and J. Verner played well for the losers.

ated. He has completely recovered from the accident and fought Ray Temple a ten round draw the other night. The hitting wonder has many fans in Edmonton, who will be glad to see him in action again. If Brown and Britton can be brought together it will mean the inauguration of the most successful boxing season in the history of Edmonton. The May 21st card will be staged in the Thistle Club, where a tremendous house is assured. Following the reopening of the boxing game on Victoria Day, it is likely that monthly bouts will be staged.

JAMESTOWN RACES.

At Joliet, Ill., April 16.—Plumber, plowed Wolf, won the feature at Joliet today. The Montreal Handicap, in good time, considering the state of the track. John Turpin was the favorite in form as he won the distance in a trial Sunday in 1:12 2/5. The heavy import and the waterlogged track proved too much for the favorite, however, and he had to be satisfied with second place. The rainy weather caused a sharp cut in the field and only five horses started. Sunday Bay repeated his feat of Saturday morning in the opening event, the Greenwood purse, as Wooden Shield, Tallott's promising colt, was scratched and none of the rest was good enough. The third race, the only five furlong of the day, proved a complete upset to bettors when J. of J. headed the Queen Bee, favorite to the win. Mrs. T. J. Maltine was regarded as the best entry, other winners were all fairly good, though not by any means all favorites.

Judge Murphy will leave here Friday for Montreal, to look after affairs in connection with the new track at Joliet, of which he will take charge for the season. Many of the best horses are being shipped from here to Havre de Grace for the meet there.

BURNS PLANS TO BRING OUT THE GOOD ONES

Elimination Contests for Welter, Middle and Heavyweight Titles.

FRANKS vs. LUGAZ IN SEMI-FINAL, MAY 1ST

Andy Morris, of Boston, Accepts Terms to Meet Arthur Feiky.

Special to the Bulletin. Calgary, April 16.—Andy Morris, of Boston, today accepted terms to meet Arthur Feiky in one of the two big bouts here on May 1st, and will have the Hub tonight for the war.

Billy Griffiths, the Cincinnati welter, who meets Micky McIntire in the other big bout, word that he will leave the city tomorrow morning. Feiky and Morris are working hard and a stiff workout this afternoon. Griffiths and Morris will work in Kid Fane's new gymnasium when they arrive, and Louis, Jack Rogers and others will be on hand as sparring partners.

For the semi-finals, Tommy Burns is now in town to match Kid Fane, of Philadelphia, and Morris will be matched at welter weight. Edmonton fans will remember the great bout put up by these boys here last fall.

Burns plans to start elimination contests to decide the welter, middle and heavyweight championships of the world. Griffiths has a draw now with Ray Brown and the winner of that fight will be matched with Phil Hackett, Chicago, who has beaten Brown and Morris.

Philadelphia will pick the best welter contender as the winner of the last bout for the world title.

McGarry is waiting. The winner of the Morris-Feiky bout will meet McGarry on May 1st. McGarry today privately accepted terms to play the Burns fight.

McGarry has a chance of a match in June or July. Jimmy Delaney is picked by Burns as one of the best middleweights in the country and he will be matched here soon with either Freddie Hicks, of Detroit, or Hugh Tom, of London, the winner of the bout to meet Ditt, McGarry or Ditt. Burns has accepted his contract.

In a heavyweight bout, Burns hopes to meet a contender from either Freddie Hicks, of Detroit, or Hugh Tom, of London, the winner of the bout to meet Ditt, McGarry or Ditt. Burns has accepted his contract.

The fact that this election day and is fought with great interest and excitement to the citizens makes the little difference to the ball players. Having just killed around the corner from Uncle Sam's domain they naturally have no votes, and if they arrive in time today will hold a practice this afternoon at Edmond Park.

Phil Sheldahl will be one player who is accompanying White, from Spokane, into the rest of the party is unknown. The other members of the team will not likely arrive until next week. Phil Sheldahl, from Portland, Ore., Helms and Hackett should be along about Monday. The latter is a player who has won the Chicago title and has a record of 10-0 with a 10-0 record in the division. With his 10-0 record he should have no difficulty in making the team.

Only one Player Out.

Special to the Bulletin. Calgary, April 16.—The baseball practice of the Calgary team this afternoon was of a small order, only four men being out, but the full team will leave tonight tomorrow.

LYNN WAS OUTCLASSED BY MCARTY

Champion Won Popular Decision Over Fireman in Six Rounds at Philadelphia.

By Bulletin Leased Wire.

Philadelphia, April 16.—Luther McCarty, co-owner of the white heavy-weight boxing championship, was awarded the popular decision by a wide margin at the end of a fast six-round bout with Jim Lynn, of Colorado, at the Olympia Athletic Club here tonight.

McCarty led throughout the fight. Although he appeared to be outclassed from the start, Lynn actually stuck out the entire six rounds. With both players protecting the jaw and the first round Lynn's nose bled, as to prevent McCarty from reaching a vital part, the Finkleman rushed in to clinch after clinch and succeeded in landing many blows on the champion at close quarters. McCarty, however, seemed to be in the pink of condition and, in the sixth round, he was able to win the fight by a hard right hand swing to the jaw. The latter was knocked down but not out. He was not allowed to continue, however, and the fight was stopped.

The four bouts which preceded the win-up furnished plenty of excitement. All were closely contested except the first, in which Young Al Smith, McCarty's starting partner, knocked out Al Benedict, of New York, with a right swing to the jaw in the second round. The fourth, in which Joe Dominick won from George Patton in the fourth round by a hard right hand swing to the jaw. The latter was knocked down but not out. He was not allowed to continue, however, and the fight was stopped.

Benedict, who submitted for George Rott, the heavy weight, who was unable to go on because of an injured hand, went down and out for the second time in a fight that almost featured the jaw.
